December 2010

Dear Friend:

The Women's Philanthropy Board has as its core mission to foster independence as financial decision makers and donors, serve as philanthropic role models and enhance leadership skills in aspiring philanthropists. Last year in a joint venture between the College of Human Sciences Women's Philanthropy Board and the Early Learning Center in the Department of Human Development and Family Studies, we launched Camp iCare, a summer camp for kids ages 6-12. We are pleased to share that Camp iCare was a success, and we plan to host this exciting venture again.

The 2nd annual **Camp iCare**, will take place from July 11-14, 2011. Through this experience, we seek to teach children the basic skills of being money smart and philanthropically engaged. We are very pleased to share that **Camp iCare** will take place at Wrights Mill Road Elementary School. We are so proud to work with Wrights Mill Road Elementary School (WMR) and extend special gratitude to Lynda Tremaine, principal, and the incredible WMR team.

The tuition for **Camp iCare** will be \$130 ("Early Bird" rate) or \$150 per camper registered after March 1, 2011. Please see the enclosed information which outlines the curriculum and activities of **Camp iCare**. In addition, you will find some camp basics and forms that must be signed. *If you register your camper prior to February 28, 2011, you will qualify for an "Early Bird" discount. Camper registration is on a first come first serve basis and will be accepted until June 15, 2011.*

We are happy to answer any of your questions about **Camp iCare** and encourage you to take advantage of this unique opportunity. Please feel free to contact the Women's Philanthropy Board office at 334-844-3524 for additional details.
